Prime Minister  
MESSAGE

I am pleased to learn about the online *Bhoomi Poojan* of FUEL Center of Excellence campus at Bhugaon, Pune. The creation of a new infrastructure brings with it fresh energy and inspiration.

Today's world is driven by technology and innovation. Leveraging the role of technology as a force multiplier in providing solutions and opportunities, we have taken concrete measures with integrated approach to pave the way for intent, intellect and energy of our Yuva Shakti.

Our emphasis to equip our large workforce with latest skills and our constant endeavour towards creating an ecosystem of enterprise and innovation is powering the nation's resolve of *Aatmanirbhar Bharat*, more so in a post-COVID world. Efforts of stakeholders like FUEL further and strengthen this vision with their valued contribution.

This initiative of FUEL to provide career guidance and impart skills to the youth is a noble one. May the endeavour to provide guidance to the youth reach out, in particular, to the poor, needy and disadvantaged sections of the society.

May the auspicious occasion of *Bhoomi Poojan* provide inspiration to everyone associated with the Fuel Centre of Excellence to work with renewed dedication for the betterment of the society and the nation.

With best wishes,

(Narendra Modi)

MESSAGE

I am pleased to know that the *Bhoomi Poojan* of FUEL University is going to be held on 8th October, 2023 and a Future Skills Summit is also to be organised on the occasion.

Youth are the future of our country. It is imperative to empower them with the knowledge and skills necessary to succeed in rapidly evolving world. By bridging the gap between formal education and practical skill development, we can equip youth with the essential tools required to excel in their chosen career paths and make them invaluable contributors to the society. This endeavour not only ignites the flames of ambition, curiosity, and innovation but also enables our youth to shape a brighter future for themselves and their communities.

On this momentous occasion of FUEL's 17th Foundation Day and the *Bhoomi Poojan* of FUEL University, I extend my heartiest congratulations to everyone associated with FUEL. My best wishes also go out to all those participating in the Future Skills Summit, and I hope that the event is met with resounding success. May this new chapter in FUEL's journey be marked by continued growth, innovation, and transformative impact on the youth of our society and nation.

(Om Birla)
